**GOLF GALS PLAY TO SPAY:** Bev Lowrie sent these pics and wrote: *In our endeavours to raise funds to spay animals in our townships, we hold Fun Golf Days every couple of months at Goose Valley. All competition fees and funds raised during a "fines" session are donated to this cause. Our last Fun Day was on November 7 - above, Val Hallett shows off the GALS Floating Trophy won by her winning four-ball team. GALS stands for 'Golf & Animal Lovers Society' and it is wonderful to know how many animal lovers we have in Platt! The floating trophy is engraved with winners' names on a dog tag and carried from one golf day to the next. This month's event also featured the raffle of a beautiful knitted dragon donated by Marina Baxter to raise more funds. Atright, winner Peter Adams does his best dragon impersonation.*
